PENSION VALUATORS OF CANADA

*Valuing Pensions is Our Only Business
Providing the Best Service is Our Primary Concern*

Still struggling to understand pension valuations?

- Confused by the terminology?
- Not sure whether or not the value suggested by opposing counsel is reasonable for your client?
- Having difficulty drafting an "If and When" agreement?

We're not surprised. Many lawyers have admitted to us that they are having the same problems and judges are obviously making inconsistent decisions.

We would be happy to put on a seminar for you and eight (8) or more other lawyers or mediators, at no charge.

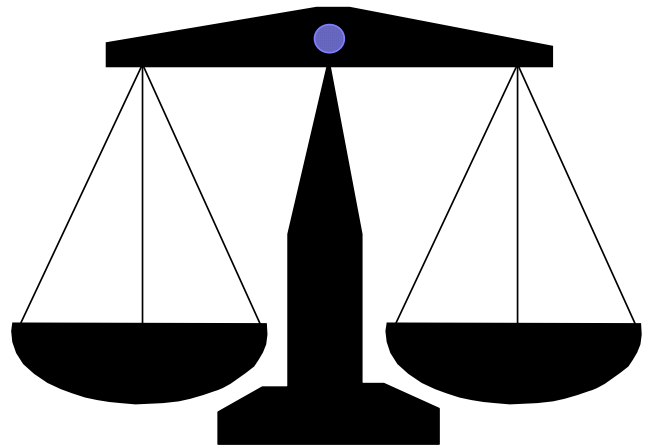

You supply the facilities, the coffee/tea and the participants. We'll supply the seminar, lots of handouts, and answers to your questions.
