What Constitutes Property ?

Professor James MacLeod said that the recent Court of Appeal case of *Miller v. Miller* “is a keeper for lawyers and judges everywhere and should be read by all”. The case deals with a good discussion of pensions, pensions in pay, retiring allowances, disability benefits, and, with an extensive dialogue about stock options.

Mr. Burrows would be pleased to speak with you personally and discuss this topic.

If you do not have time to read the entire 60-page decision, please contact us for a copy of our summary.
