

**PENSION  VALUATORS
OF CANADA**

*“Valuing Pensions is Our Only Business
Providing the Best Service Is Our Primary Concern”*

**You don't need to have a valuation done,
or do you?**

People are satisfying the equalization of their pension by making use of the provisions of the Pension Benefits Division Act (P.B.D.A.) where applicable (Federal government employees, Armed Forces, etc.).

In one case the Federal Government was prepared to pay \$57,500 to the non-member spouse. Our valuation showed that the non-member spouse should only receive \$43,500. In another case the Department of Defence was prepared to pay \$237,287 to the spouse. We proved that the spouse should only get \$218,220, saving our client over \$19,000.

All pensions require a proper valuation. You should never use the value produced under the Pension Benefits Division Act.

We often hear of some important court decision or other matter that could be of interest to family law lawyers, and we send these lawyers information about it by email. If you would like to be added to our list of those who receive the information, please send us an email with the message “Subscribe”. There is no charge for this service.
