

***“Valuing Pensions is Our Only Business  
Providing the Best Service is Our Primary Concern”***

## **SERVICE DISCOUNT**

---

Most pension valuers suggest that there should probably be a discount applied to reduce the value of an early retirement pension. However, we are the only ones who actually provide this discount in our valuation reports, thereby justifying lower values for the pension.

For a full explanation of the service discount and the justification for it, and case citations, please contact us and request a copy of Chapter 13 of our new book *How To Get The Most Out of Your Divorce Financially*.

For only **\$36.90** (\$29.99 + \$2.41 GST + \$4.50 Shipping) you can have a complete copy of our book. Please send a cheque made out to Pension Valuers of Canada, or your VISA number and expiry date. Please allow 4 – 6 weeks for delivery.

We often hear of some important court decision or other matter that could be of interest to family law lawyers and we send them information about it by email. If you would like to be added to our list of those who receive the information please send us an email with the message “Subscribe”. There is no charge for this service.
